Aura: Confidence _____ ()

SCORE	MINIMUM WRONGDOING	RATIONALE
10	Allowing restrictive social conventions to go unchallenged.	Such structures prevent people from seeking out their destinies.
9	Failing to execute a Cainite who stubbornly refuses to acknowledge his destiny.	Vampires who cannot adapt to thier new purposes must not be allowed to batten on the cycle
8	Embracing outside the family line.	Only your own flesh and blood can entirely comprehend your place in the universe.
7	Allowing your subjects to understand what you're doing to them.	They cannot come to thier own realization if they understand what is happening to them.
6	Failing to execute a Cainite who repeatedly stops humans from working toward their destiny.	Vampires must not deliberately pollute the cycle.
5	Allowing those who are not on the Road to see your true self.	Only from the shadows may you exerice your purpose.
4	Destroying a fellow adherent of the Road of Paradox.	You are not your brother's keeper and cannot tell him how to carry out his destiny.
3	Killing a human who has not fulfilled his purpose for any reason other than survival.	You may not interfere in the destiny of mortals.
2	Embracing needlessly, out of personal desire, or without due consideration.	Removing someone from the cycle is a grave action, not to be undertaken lightly.
1	Acknowledging any other as your superior.	The will of a master interferes with the carrying out of your destiny.

ETHICS

Guide others to their purpose for being.

Cainites and mortals must come to thie own realization of their destiny.

Execute only those who absolutely refuse to accept their purpose, or repeatedly attempt others from following their destinies.

You may not kill those who have not yet fulfilled their purpose, unless they refuse to do so.

Keep your secret face hidden from those around you; only by doing so may you act with freedom.
