SKILLS—OTHER TRAITS

The diagram illustrates a 16-bit bus system with 16 data lines and 1 address line. The bus system is divided into three main sections: a top section, a middle section, and a bottom section. Each section contains a 16-bit data bus and a 16-bit address bus. The address lines are labeled 0 through 15. The data lines are labeled 0 through 15. The diagram shows the bus system with its components and connections.
