

This image shows a full-page view of a decorative notebook. The notebook has a black, ornate gothic-style border with intricate scrollwork and pointed motifs at the corners and midpoints. At the top center, within the border, is a black rectangular title bar with the word "CAITIFF" written in a white, stylized, gothic font. Below the title bar, the word "NOTES" is centered in a simple, black, serif font. The majority of the page is filled with horizontal ruling lines, providing space for writing. At the bottom center of the page, there is a decorative element featuring a small skull flanked by two bat-like wings, all rendered in a dark, textured style. The overall aesthetic is dark and gothic.
