HIERARCHY OF SINS

SCORE	MINIMUM WRONGDOING	RATIONALE
10	Spending much time on the affairs of Cainites.	Do not allow yourself to be distracted from your work.
9	Feeling remorse for your actions.	You are damned. Only mortals benefit from repentance.
8	Killing any mortal without taking confession first.	No mortal should be sent to his death without the chance to unburden his soul.
7	Attempting to "save" a Cainite.	Vampires are entirely damned - do not waste your time on them.
6	Accepting the superiorty of a Cainite other than those on the Road or your clan.	All vampires are equal under God.
5	Killing a sinner for any reason other than self-defense.	Dead sinners cannot repent.
4	Trying to save a sinner by means that do not invole pain and suffering.	Only pain and suffering can expiate sins and bring about true remorse.
3	Allowing the corruption of Mortals.	Hell must have no dominion over the mortal soul.
2	Embracing a sinner who is still capable of remorse and redemption.	Only the irredeemable may be Embraced- all others should have a chance at salvation.
1	Causing or bringing about the corruption of a mortal.	You are here to save souls, not damn them.

ETHICS

All Cainites are damned.
Our damnation is the price we pay for other's salvation.
Only pain and suffering being about true repentance.
Without repentance there can be no redemption.
Do not suffer the corruption of mortals - stamp the corruption out at its source.
