

A highly detailed, black and white decorative border surrounds the page. The border is composed of four thick, vertical and horizontal bars. Each bar is filled with intricate, macabre illustrations. The top and bottom bars feature a series of eyes of various sizes and expressions, some with wide-open mouths, set against a background of swirling, organic patterns. The left and right bars are dominated by large, grotesque faces with multiple eyes and open mouths, appearing to be part of a larger, twisted entity. The corners of the border are marked with small, square icons: a star in the top-left, a cross in the top-right, a triangle in the bottom-left, and a skull in the bottom-right. The central text is positioned within the white space of the page, centered horizontally and vertically.
